Dear Ma

Will know everything with my
best school girl these days? I know
you just love school, by the way you
talk about it.

Most of the time when I got out
to work I take off and go up in
the hill. I'm just killing time now
that I'm going down-hill grade in the
army.

Jack, said he was going to get
married after his girl finish school.
* Tell him hello when you see him
for me. He did a lot of talk
about farming well we was in Texas.

II

I should be able to get a leave in January, so I might be able to get up there in Michigan to see you. I will let you know for sure later on.

yes, I like to go hunting. I would go deer hunting up here not if there was any place I could get a gun. There a lot of deer up here in the mountains.

Don't feel too bad about your home town foot-ball team, the last I heard about my home town team they lost every game they ~~played~~ played.

you won't get mad if I get something for your birthday a little late well you. I kept to get my

brother and his wife something. She
going to have a baby in December. My
wrote and told me. I haven't had
a letter from them for a few months.

I going to put a picture in with
this letter. The boy that told it
was so far away. It was taken one
Sunday well I had ~~some~~ C.P. It isn't
a good one but it all I have. If
you have any old pictures of yourself
and want to get rid of them, I would
like to have them, o'k?

What would you do if I wrote
Edna? I won't so don't get mad.
O'k? I will give her address to someone.

I don't ~~care~~ see were
any of your letters are dull beside
I would care. Mail call is all

IV

I wait for in the army. I get
3 or 4 from my mother a week beside
what I get from you. I don't get
2 many from my sister. I keep
up with everybody.

By the way don't quit school
I did and I'm sorry I did it
now.

Well honey I can't think of
much more to say so I will close.
Don't do anything you will be sorry for
later. Be good and take care of
yourself.

Love
P.P.
